

YOUR BALLOT IS HERE. DON'T SKIP 83.

**Nobody wants
their dog
in a trap.**

VOTE NO ON 83

Steel-jaw traps don't know the difference.

Amendment 83 could **bring back** cruel practices
Colorado voters banned more than 30 years ago.

- **Hike with your dog?**

Steel-jaw traps snap shut on any leg: a fox, an eagle, your dog.

- **Camp or live near bear country?**

Bear baiting dumps donuts in the woods. Fed bears stop fearing people.

- **Should animals get a fair chance?**

Hound hunting sends packs of dogs to chase a bear up a tree to be shot.

Out-of-state trophy-hunting groups spent **\$1.5 million** to buy
their way onto the ballot and take away **your** voting rights
and **silence** Colorado Parks and Wildlife.

**Once 83 is in the Constitution,
there's NO going back. You MUST vote.**
